<p>Reading pattern: Usually 3 chapters per day. To include the wisdom literature from April through July, mix in Psalms every day as prescribed. Note God's character and interaction with His creation and/or His people each day. Be sure to note references to God's design, the fall, His plan of salvation and our partnership with Him toward restoration as appropriate. Finally, how is God asking His people to respond to Him in faith and obedience?</p>
